LED ZEPPELIN: FEATURE MATRIX

		PRO	PREM	LE
MAIN ATTRACTIONS	In this high energy rock and roll pinball concert experience, pinball and music are fused together. Players are transported back to Led Zeppelin's early days and tour the world from 1968-1980. As if players were members of the band playing its music, their play updates game features at the start of each verse and chorus of ten iconic Led Zeppelin songs including: Good Times Bad Times, Whole Lotta Love, The Song Remains the Same, Rock and Roll, Trampled Under Foot, Ramble On, Kashmir, Immigrant Song, Black Dog, and Communication Breakdown			
	All models feature a custom molded 13 inch Hindenburg Zeppelin, custom Swan Song Records trademark Icarus sculpted leaper toy, 3 custom steel ramps, a 3-bank of drop targets, and 3 flippers.			
	Premium and LE models feature an innovative interactive toy called the Electric Magic device. This unique toy is motorized in sync with the pinball action, rising up from the playfield creating different magical pinball experiences. An optical spinner charges the Electric Magic Magnet, capturing and making balls disappear. The Electric Magic device can also convert into a physical pinball bash toy via a backstop solenoid.			
	In true rock concert fashion, Premium and LE models have the Expression Lighting System™ with 96 intelligent RGB LEDs that enables full color spectrum control. Positioned in pockets cut into the cabinet sides to provide color themed full playfield illumination, this integrated playfield lighting system is synchronized to custom light shows specifically designed for every song.			
As an encore, Premium and LE models have an additional reversing scoop and metal combo ramp, allowing players to keep the hits coming with constant adrenalized pinball action.
